VOL. 20. WHOLE NO. 1,008.

The Dead Body of Slavery. Tennessee Fannticism. There are some simple minded people, and some demagogues, and perhaps some memorials, one addressed to the Recon- object to some of our language which was us that the purity of our faith and practice very honest people, in Kentucky, who are struction Committee of Congress, and the intended specially for the Democrat, but as a Democrat fails to receive the approval disposed to look with suspicion upon the other to President Johnson. They derive which it seems applies indirectly to itself, of the editor of the Democrat, it is some man or the paper advocating the policy of removing what may be called the dead body of slavery and giving it a decent burial. It of slavery and giving it a decent burial. It is a little singular too that such opinions should be entertained when it is seen that the people of the Southern States, who had a much greater interest in the institution and the property of the such as a much greater interest in the institution of slavery and giving it a decent burial. It is seen that ture. The purpose of these memorials is to says that it "never indorsed, or even thought of indorsing those radical measurements of the Lincoln administration which are the people of the Southern States, who had a sentiment in Tennessee and to protest ures of the Lincoln administration which the Democrat indorsed, and which it treests of the South and that we are representation policy of the President, we know that we are acting for the best inthan we had, are now, as they have for some The argument is long, tedious, and as false thought were not as strong as they ought senting the views and desires of that much time been, engaged in removing all traces of and unfair as could well be conceived. The to be."

As an evidence of the spirit which actuates them, we quote from the Memphis Av.

Cevent that the State is permitted to resume ical sentiment with the Jonanal, to any extent, the test of political soundness, and which the question of reconstruction is to adanche, always one of the most extreme and uncompromising of all pro-slavery The most horribic condition of disloyalty is journals, the editor of which were a sword described, but very singularly is not proven eral years of the war in defense of that pol- tion and that the policy of each is and rode by Bedford Forrest's side during by a single fact. The late rebels, they say, icy which both must have known would clearly and sharply defined. They see that the greater part of the war. He fought to keep the life, if possible, in the institution, and are only waiting for the power to vent overthrow of the institution of slavery. but now that it is dead ine drops his sword their fury upon all who upheld the Union Surely the Journal, though it may as a President is equally resolute that the war and with his pen pushes the dead body from cause during the rebellion. These timid matter of taste and reputation object to beis path and proceeds to other duties.

"For Heaven's sake," says the Avalanche, shall be kept in a state of pupilage and the ject to this statement, when it claims in the positions in the Uniou. The President's his path and proceeds to other duties.

"let the South take measures to terminate the control by Fedthe controversy, and bury the corpse of that it was the supporter of the war and the control by Fedthat it was the supporter of the war and it will place in the heads of the South the the controversy, and bury the corpse of cral power.

Now the object of all this misrepresentative distribution of sight, with all its odious appendages. Until this be done the country tion and special pleading is very obvious. went farther than the Journal did in sup. means by which it can to a very great exwill have no peace, and the Southern pao. These men know that they are slandering port of radicalism is a proposition we shall tent protect itself. ple no security. We shall have the negro the large majority of the meu of their nolige not attempt to controvert, for we have not again in Congress; a new rally of the wor. State. were endeavoring to show, and we think But the fact is that this Jacobin party in we did show, that the policy advocated by minority in the State, and that the republi- tonching the prosecution of the war, tended can doctrine that majorities should govern directly to the overthrow of slavery, and professed to believe that we were in bad company; we simply retorted by showing

Column the assertion that "there are some, it is true, under the Union Democratic barner, who never relinquished their hostility of the Democratic party." In reply, we pronounced the expression a typographical error—that "are" should have been printed "error"—referring to the time of the Chicago Convention. The Democrat, in reply, insinuated that this was a mere subtering or trick to throw the blame on the printer. We had not their referred to the position of the President's also for the President's that also for the President's the only country ho has or ever had), we think that the State and the nation should their tools in Congress, are bringing for with their tools in Congress, are bringing for the President's policy, but to an indefinite extent. That the only country ho has or ever had), we think that the State and the nation should their tools in Congress, are bringing for solic tools in Congress, are bringing for with their assertion of the President's policy, but to an indefinite extent. That the only country ho has or ever had), we think that the State and the nation should understand his position, and Stevens, and their tools in Congress, are bringing for with their accountry house the plane of the position of the State and the nation should understand his position, and their tools in Congress, are bringing for with their accountry house the position. The base of the position of the position of the position is so complicated. The position is so complicated with precision.

That we were for the separation of the State, which the Journal calls rebellion, cannot be denied. We demonstrated that the President's policy, he has given in their tools in Congress, are bringing for with their tools in Congress, are bringing for with their tools in Congress, are bringing for the position. The base of the policy, he has given the policy, he has given tools in Congress, are bringing for the time of the blims the tili terfage or trick to throw the blame on the printer. We had not then referred to the

The President's Policy

and are rushing headloug upon destruction whether this policy is Democratic or not. They know that upon its adoption depends their salvation, their political rights and their personal security, and therefore they are lor it. If it is not Democratic our cotemporary, consulting the true interests of the Democratic party, would do well to keep that important fact in the background, for the Democratic South is for it, and will be certain to give its all-powerful support when it again obtains political power, to

that party which now supports it. Upon this subject we make the following well written and forcibic extract from the Mobile Register and Advertiser, the editor of which, Col. John Forsyth, was the warm, personal friend and ahlest supporter ot Stephen A. Dougias when the Democrat was a subaitern in the Douglas army. The Democrat will scarcely have the assurance to question his democracy. And to make the point still stronger, and to give additional force to the article or, we should state that it was written from Washington, by the Hon. C. C. Langdou, the member elect from the Mobile District, who is now awaiting the Mobile District, who is now awaiting the trimmph of the President's polley, as the only means of obtaining his seat the order of the order

Thursday, and make it a special order from day to day. He had never heard of the through the House to day would certainly be precipitate action.

The Joint resolution was ordered to be printed, and on motion of Mr. Steven, and the appeal of the state of the politic, and on motion of Mr. Steven, and the appeal of the state of the

the river at Chattanooga, with very limited means. The enemy, with a largely superior force, occupied the lines of the railroads from Decetur to Bridgeport, Alabana, from Decatur to Bridgeport, Al

Cumberland Gap, held by the enemy in strong force, well fortised.

Leaving a safficient force to hold the enemy in observation, his disloderment being considered impracticable, he moved, as an thorized, with the balance of his command on Lexington, ky. This rich country, fall of supplies so necessary to us, was represented to be occupied by a force which could make but feeble resistance. How well and successfully that duty was performed, has already been reported by General Smith. It is complete victory over the enemy at Richmond, Ky., and his occupation of Lexington, readered it necessary for me to intercept Ceneral Baall, now rapidly moving toward Nast-ville, or to move toward the right so as to seeme a junction with General Smith when necessary.

Prepared to usual Buell's forces, should be attempt to pass north, I determined to rest my jaded troops at Glasgow, where some subsistence was to be had. While thus engaged, I learned that the commander of my outpost brigade, at Case City, had advanced upon and assaulted the enemy's forthed position at Munford-ville, (the railroad and pike crossing of Green Elvar,) and after a gallant fight against largely superior numbers, had been repulsed with considerable loss. Unwilling to allow the impression of a disaster to rest upon the minds of my men, the force was rapidly prepared, and our march moved on the evening of the 15th, with a very scanty supply of provisions.

Hardee's wing moved by Case City, divert upon Munfordville, and Polk by hear will forwarded. In the progress of the engagement, we had advanced so far as to expose our left fault to the hird corps, not the effective of Lebanon. I deprefore caused on line, which rescal upon the asternoon of the letth. An immediate dearmal for the surrender of the garrison was made, and after a few hours' nego-

was rapidly prepared, and our march moved on the evening of the 15th, with a very acenty supply of provisions.

Hardee's wing moved by Case City, divert upon Munfordville, and Pellz by hear Wellow road, crossed the rear come militate that right, and gained the enemy a rear on the afternoon of the 16th. An immediate demand for the surrender of the garrison was made, and after a few hours' negotiation as an emoditional gurrender was obtained. We eccused 4,207 relations, and a preportional quantity of ammunition, horses, mules and military stores.

This surrender having been received and completed on the 17th of September, dispositione were made for an attack from denilous were made to draw him to an attack by maneuvering a division in his front, while our morts force held a position sonth of the enterenchases on Green river. I failed to accomplish this object. With my effective force, recinced by wakases, exhaustion, and the recent attar before the quire memory and accomplish this object. With my effective force, recinced by wakases, exhaustion, and the recent attar before the gritten of the country and the recent attar before the gritten of the country and the recent attar before the gritten of the reports of the desired of the accomplish this object. Chief of Staff, and A. A. G.

To Major General Polk, commanding Army of the Mississippi.

Signopole visitory over the enemy at lifections, and that the mempt is most than the control the protect of the seal many protection of the control the protection of the control that point on the control that p them battle, we shall do so vigoronsly.

Should we succeed, we will pass to the right, with the view of joining General Kirby Smith. If it should become necessary to fall back, we will do so on Dauville and Eryanisville, with a view of uniting with General Smith at that point.

I have directed General Preston Smith to have all the trains belonging to this army, now at Harrodsburg, to be collected and moved out on the roud to Bryantsville, and to be ready to move, when it should become expedient, on that place.

Respectfully yours, &c.,

[Signed]

Major-General Constanting A. M. General Bragg, Commanding Dep't No. 2.

Kentucky Items,

A severe storm in the vicinity of Fortness Monnos, Jan. 15, 1866.
Mal. Gen. Miles, commanding the fort and district, yesterday received an order from the Secretary of War, directing the immediate discharge of all Government.

The Glasgow Times says:

The search outside the Government department work-shops was not very remnerative. A store—where Arnoid, one of the Lineoln assassination conspirators, was formerly employed—it was thought would suffer in its elerical force by this order; of the Federals and Confederates, impuring the correctness of the statements of afr. Stanton and of Lieutenant-General Early. Having altered up on side. Major-General Sheridau publishes, in the New Orleans Cresent of the 12th lustant, a letter in auswer to General Early. Having given our readers the statement of one side, it is but fair to present tke other. The following is General Sheridan's letter to the Cresent in full:

Headq'is Militart Div. of the Guef.

The search outside the Government department work-shops was not very remnerative. A store—where Arnoid, one of the surrender of Cornwallis at Yorktow at the surrender of Cornwallis at Yorktow at the surrender of Cornwallis at Yorktow at the statements of afr. Stanton and of Lieutenant-General Graut.

Major-General Sheridau publishes, in the New Orleans Cresent of the 12th lustant, letter in auswer to General Sheridan's letter to the Cresent in full:

Headq'is Militart Div. of the Guef.

A store—where Arnoid, one of the surrender of Cornwallis at Yorktow at to the compliance of many of the stirring events of "the centily changed proprietors, and its prescut clerks are all loyal. Only two were times that tried men's souls." He emigrated to Kentneky about 17%, and settled in Lincoln county at a time when the white and of the National Express, opening his office here only a few days since. This general of the "Park and Bloody Ground." It is absequently took steamer to Richman joined in the ingreh to Hampton; but subsequently took steamer to Richman joined in the ingreh to Hampton; but subsequently took steamer to Richman joined in the ingreh to Hampton; but subsequently took steamer to Richman joined in the ingreh to Hampton; but subsequently took steamer to Richman joined in the ingreh to Hampton; but subsequently took stea Mr. Spears possessed a vigorous constitution

He declares that Mrs. Surrait was lund cent, and wonders how the man that was killed in the barn looked. He learned from the papers that he had a heavy beard, and had sheared or cut it in snap as a large from the papers. the papers that he had a heavy beard, and had sheared or cut it in such au awkward manuer that his (Booth'a) most intimste frierds would not recognize him as Booth. He thin'ts not. He believed, innocent or guilty, that if found, he would have been sacrified to their mad fury, and couclinded to leave, which he did. And as there can now be no harm in telling, I will state what he told me—omitting names.

may be considered a pardonable error. The accombanying statements of Lieut. Col. Parsons, Brevet Major Howard and Lieutenant McNee, are lie sub-vouchers for the fortey bils friends, the limit of his natural life alone will be the limit of his patternents.

I am, geutlement, very respectfully, your obedient servant.

P. H. SHIERIDAN, Major Gen'l U. S. A. This letter is accompanied by statements from C. B. Parsons, late Provost Marshal General of the "Middle Military Division" and Major O. H. Howard, Chief Signal Officer of the "Division of the Gulf," which as Gen. Sheridan embodies the substance of them in his letter, need not be republished. It is also accompanied by a statement of captured stuffery from Lieutenant Geo. W. McNee, Gen. Sheridan's Chief Ordnanco. Officer, of which the following is an abstract, exhibiting the number of pieces captured stuffery from the content of the sum of t
